

## **Team Zoo Meeting Minutes**

Attendees: Chris, Rebecca, Sarah, Suzanne, Zach

Items Discussed and Decisions Made:

- There are 104 animals total
- Database vs html for all of the animals
- Svg image by Chris fits on phone screen
- Zach split up map into 10 regions (see zoo map key file in resources)
- Search bar for the animals maybe?
- Zach is checking to see how to do that in html

Action Items:

- Chris and Zach: interactive map
- Ricky: zoom-in
- Sarah and Suzanne and Rebecca: getting animal information (google doc under resources)
- We have permission from zoo to use any of their information
